

ABSTRACT SUBMISSION GUIDELINES

1. General information

Submission Deadline

- Submission is only available online at <https://isicam.id/>
- Submission closes on **Friday, September 5, 2025**. Please complete the submission before the deadline.

ID/Password for Submission

- To submit an abstract, you must join <https://isicam.id/> first. If you haven't signed up yet, please join summit before the submission.
- If you forgot your user ID (email address) or Password, click "Forgot Your Password?" to reset the password.

2. Title

- The title of the abstract should be within 300 characters.
- It should be concise and specific, containing no abbreviations and indicating the nature of the investigation.

3. Author(s)

- The designation of a single presenter is required to complete a submission.
- First author, presenter and co-author(s) can be the same person.
- Each author's information must be provided for submission.
- **Once you submit your abstract, a confirmation email will be sent to you (submitter). If your abstract is accepted, the designated presenter will receive further notification emails for the presentation; Make sure all the contact information is correct.**

4. Categories

- Abstracts should involve the following disciplines in cardiovascular intervention, i.e. coronary intervention, non-coronary vascular intervention, and structural or congenital intervention.
- It can be an original research or meta-analysis.
- If the category does not match the subject of the abstract, you may receive a low score from the reviewers.

5. Contents

Basic info / Requirements

- Abstracts must be submitted in English.
- Abstracts consist of 4 sections: Background, Methods, Results, and Conclusions.
- [Optional] To increase your chance of acceptance, you may attach a figure on the docx file and upload it.

Check Before You Submit

- Abstracts may be entered directly into the site or copied and pasted; however, be sure to check again whether the special characters or symbols are not broken.
- You can copy and paste an existing Excel table or create a new table using the provided system tools; however, be sure to check again whether the special characters or symbols are not broken.
- Spaces are included.
- Use zeros before decimal points: 0.05, not .05
- Use decimal points, not commas: 0.05, not 0,05
- Use lowercase "p" values ($p < 0.05$).
- Provide a manufacturer name and location in parentheses for all brand or trade names.
- Never use the underline feature to denote the following symbols: \pm , \leq , \geq .
- Use space between numbers and symbols. (e.g., 3 ± 4 , not 3 ± 4 ; 3 mg, not 3mg).
- All measurements must include a unit of measure (e.g., systolic blood pressure "140 mmHg", not just "140").
- For brand drugs, include generic names in parentheses.
- Do not include references, credits, or grant support.

6. Review

- All submitted abstracts will be thoroughly evaluated by official reviewers, and the result will influence the allocation of the acceptance.

7. Acceptance Notification

- The presenters of the accepted abstracts will be notified on October 5, 2025.
- After the notification, presenters will be informed of their presentation date and time with specific guidelines for the session.

8. Presentation

- Accepted abstracts will be allocated to a moderated oral abstract competition. ※ *For every presentation, a presenter is required to submit a presentation slide.*
 - This competition session will be led by moderator and panelists.
 - The best presenter who gets the highest score from the moderators and panelists will get a cash prize.

9. Withdrawal

- Please email isicam@isic.or.id with your submission number and title to request a withdrawal.
- A withdrawal request must be made by September 30, 2025.

10. No-Show policy

When you cannot attend the session to present your case, please notify the secretariat in advance via email at isicam@isic.or.id. If the presenter fails to show up or sends a replacement without any notification, it may affect the acceptance of Call for Science in future conferences.

11. Copyright Information

When cases are submitted, we assume that the authors grant copyright to the Congress Organization for publication on the websites. By submitting a case for the conference, the presenter verifies that the case's content and its conclusion should not have been published in any other meeting before our meeting.

12. Assistance

If you need help with your submission, please contact us at email isicam@isic.or.id.
